

Dear Esteemed Business Partners,

SCASCD will host our first-ever, two-day Whole Child Conference on Thursday, October 18, and Friday, October 19, 2018 at the Brookland Conference Center in West Columbia. Our goal is to provide relevant sessions that will strengthen vision, encourage engagement, and call us to action in support of the Whole Child. Our keynote speakers will be Manny Scott and David Rendall, acclaimed speakers and authors.

An original Freedom Writer whose story is told in part in the 2007 hit movie, *Freedom Writers*, Manny Scott has energized almost two million leaders, educators, volunteers, and students worldwide with his authentic, inspiring message of hope. During the last fifteen years, David Rendall has spoken to audiences on every inhabited continent. His clients include the US Air Force, Australian Government, and Fortune 500 companies such as AT&T, State Farm Insurance, Ralph Lauren, BASF, and GlaxoSmithKline.

South Carolina ASCD is proud to sponsor these inspirational speakers along with concurrent breakout sessions and panel discussions. This two-day conference will also will provide an opportunity for Whole Child partners to learn, network, and collaborate with others who work to support children, families, and school communities. We anticipate a large turnout from across the state including superintendents, instructional supervisors and coordinators, principals and assistant principals, instructional coaches, classroom teachers, guidance counselors and community partners.

Your sponsorship at this statewide conference is vital to our success. We want you there to share and connect with education leaders from across the state. Sponsorship levels, along with a business partner application, are included. Please complete the registration form regarding your participation in the conference. Thank you for your support as we work together to promote the long-term development and success of the children in South Carolina and our public schools.

Sincerely,  
Mrs. Nicky Andrews, President  
South Carolina ASCD
